## THE LICENTIATESHIP EXAMINATION

FOR THE

### Diploma of Licentiatehip of the Royal Academy of Music.

This Examination is held three times a year, and is open to

#### **MUSICAL COMPOSERS, CONDUCTORS, PERFORMERS AND TEACHERS,**

whether educated at the Academy or not.

1. The Examination takes place at the ROYAL ACADEMY OF MUSIC, LONDON, during the Academy Summer, Christmas and Easter vacations. The Easter Examination is held during a part of April, the Summer Examination early in September, and the Winter one usually occupies the last two weeks of December and the first week of January. The present syllabus applies to the Summer and Christmas periods, 1925, and to the Easter period, 1926, and Candidates may enter for any period. Candidates other than those in Elocution who enter for more than one period in one year may repeat their pieces when re-entering, or present different ones selected from the same lists, as they may prefer. In choosing their pieces Candidates are advised to be careful to observe the requirements stated at the head of each Subject of examination, as the presentation of a wrong piece or failure to fulfil any of the essential conditions of their entry will render them liable to disqualification.

2. The Fees for the whole Examination are Five Guineas. Candidates failing in any branch are qualified to attend future examinations on payment of a fee of Five Guineas for the whole Examination or the Practical Part only. Candidates failing in Paper Work pay a fee of One Guinea for each paper for which they re-enter, and One Guinea for Aural Tests in the event of failure therein.

Forms of Entry, properly filled up, together with the fees must be sent so as to reach the Secretary not later than June 30th, for the September Examination, October 31st, for the Christmas Examination, or February 7th, for the Easter Examination.

No entry will be accepted after these dates unless accompanied by an extra fee of 5/- per candidate, and no late entries can be accepted, under any circumstances, after July 12th, November 12th, and February 22nd, in the respective periods of Examination.

Candidates desiring to be examined in two Subjects, or the Teachers' and Performers' branch of the same Subject, must pay the full fee in each Subject or branch.

Candidates entering for the two branches of Teacher and Performer will be expected to submit different selections at the two Examinations.

3. **Examinations in Scotland.** Special arrangements are now in force whereby candidates in Pianoforte have the option of being examined in Glasgow, in both the practical and theoretical sections of the Examination. Entries must be sent to the Secretary of the Royal Academy of Music, London, in accordance with the particulars given in paragraph 2, and should be accompanied by a remittance of **Six Guineas** for the whole examination or any part which includes the practical branch. The fee for each paper or for Aural Tests is **One-and-half Guineas**. **Entries for subjects other than Pianoforte cannot be accepted for Examination in Glasgow.**

Full particulars as to place of Examination can be ascertained about one month before the date fixed for examination.

4. Candidates who have entered for the September Examination will have the option of transferring their entry to the Christmas period on giving notice to the Secretary of their wish to do so not later than July 31st, but Candidates **cannot be transferred** from Christmas or Easter to the following Easter or September Examination, except under very special circumstances.

5. Any Candidate failing to attend for examination at the time appointed will forfeit the entry fee paid—except in cases of serious illness, notified to the Secretary at least three clear days before the time appointed for examination, and verified by a medical certificate. In such cases, a portion of the entry fee may, at the discretion of the Committee, be returned or transferred. In all cases of re-entry the full fee must be paid.

6. Candidates for examination in London in Singing, Pianoforte and Violin at the Christmas period may indicate whether they would prefer to be examined before or after Christmas Day. The Secretary will endeavour to comply with the wishes thus expressed, but cannot guarantee doing so; and in any case Candidates must accept the arrangements made for them as regards date and time of their examination, and also the Board of Examiners to whom they are allotted.

7. No Candidate in any Musical subject under 18 years of age and no Candidate in Elocution under 20 years of age will be permitted to enter for examination as a teacher. Diplomas issued prior to this regulation will, nevertheless, remain valid.

The Academy reserves to itself the power to refuse any entry for Licentiate Examination at its discretion.

8. All Candidates (except in Harmony, Elocution, Bandmastership, Theatrical Conductorship, and in Singing (Performers), and excepting such as hold any of the following British diplomas:—Mus. Doc., Mus. Bac., F.R.A.M., A.R.A.M., L.R.A.M., and F.R.C.O.) will be required to work a paper on Rudiments of Music, Musical Ornaments, and Harmony in 3 or 4 parts, embracing the Triads of the Major and Minor Key, and Dominant 7th (with the inversions of these chords). The paper may include the harmonisation in 3 or 4 parts of a simple melody, and of a

Figured or Unfigured Bass; the addition of a second melodic part (note against note) above or below one already given; also the writing of a simple melody of not more than two phrases.

9. All Candidates, with the exception of those in Harmony, Bandmastership, Aural Training, Voice Culture and Elocution, will be required to pass a simple *viva voce* examination on Aural Tests, further details of which, including specimen questions, will be found on page 7.

Candidates in Singing (Performers), unless they hold one of the above Diplomas, will be required to work a paper on Elements of Music and Musical Ornaments.

Candidates in Singing (Teachers), in addition to the Rudiments and Harmony paper, will be required to work a paper on the Physiology of the Voice (see page 11), whilst those in Pianoforte (Teachers) and Organ must also work an additional paper on Form and Teaching (see pp. 16 and 20).

Candidates in Pianoforte Accompaniment must also work a paper on the Art of Accompanying (see p. 29).

Candidates in Aural Training and in Voice Culture must work (in addition to the Rudiments and Harmony paper) the special one required for each subject (see pp. 30, 31 and 33).

Candidates in Elocution must work the paper specified on page 35.

Candidates claiming exemption from any portion of the paper work or from Aural Tests must send proofs in support of such claim with their form of entry.

There is no exemption from the paper on the Physiology of the Voice.

10. The paper work may be done on the same day as the practical examination, or, if the Candidate so prefer, on the day previous to, or the day after it. If two papers have to be worked they may be done on the same day, or on different days at the option of the Candidate. There will be two periods of paper work examination daily, starting at 10 a.m. and at 2.30 p.m. The papers on the Physiology of the Voice, Pianoforte Accompaniment, Aural Training, Voice Culture, and Elocution must be worked on a day previous to the practical examination. Provided the necessary accommodation is available Candidates may attend either the morning or afternoon period, it not being necessary to write notifying which period they select.

The results of the practical and paper work portions of the examination are posted to Candidates about a fortnight after the date of the practical examination.

In order to pass, Candidates are required to obtain at least seventy-five per cent. of the possible number of marks in each separate branch of the examination.

11. Candidates who succeed in the practical branch are not required to undertake that portion of the Examination again. If such candidates fail in the paper work, or any

portion thereof or in Aural Tests, they may attend future Examinations in that portion in which they have been unsuccessful, on payment of a fee of one guinea for each paper and one guinea for Aural Tests.

Those who succeed in the Theory papers, but fail in the practical branch, will be exempt from again working the said papers. The same applies to the papers on Harmony, Bandmastership, the Art of Accompanying, the special papers on Aural Training, on Voice Culture, on Elocution, and on Form and Teaching for Pianoforte Candidates (Teachers) and Organ Candidates. This exemption applies only to Candidates at the September 1912 examination and later dates. Those succeeding in Aural Test will at future examinations be exempt from that branch. The claim for exemption must be made on the entry form, but the full fee will nevertheless be payable by Candidates claiming it.

12. Candidates are expected to accept without question the award of the Examiners, and neither the Principal, the Examiners, nor the Secretary are authorised to enter into correspondence as to the reasons for the results communicated to them.

13. In Pianoforte, Organ, and Orchestral Instruments, no particular system of performance or fingering is insisted upon; the Examiners judge entirely by results. Candidates are not restricted to any particular edition of the works chosen, except where such is expressly mentioned.

14. Candidates who satisfy the Examiners in all portions of their examination (theoretical and practical) in any subject will be created **LICENTIATES OF THE ROYAL ACADEMY OF MUSIC**. They receive a Diploma to that effect, signed by the Principal of the Academy and a Director; and have their names publicly announced. The Licentiate Diploma certifies that the recipient is, in the judgment of the Examiners, competent to practise the specified branch for which the Diploma is granted. The Diploma also states whether such competency be as a composer, performer, teacher, or conductor.

Licentiates have the exclusive right to append the letters **L.R.A.M.** to their names.

In the absence of any request to the contrary, the Diplomas will, after they have been formally submitted to the Board of Directors at their meetings held in October, March and June, be sent to the addresses given by the Candidates on their forms of entry.

15. Candidates who have satisfied the Examiners in any class of any subject, will be eligible as Candidates in any other class of the same subject at a subsequent examination.

On payment of an enquiry fee of two shillings and sixpence Candidates will (after the completion of the examination period) be supplied with a statement of the marks awarded to them in each branch of their examination. This statement will be supplied only to Candidates. To those entering for Paper Work Only, the total

number of marks will be supplied without payment. Marks cannot be sent until about a month after completion of the examination.

16. The Committee of Management reserve to themselves the right of varying the Boards of Examiners and of appointing Examiners in addition to those herein specified, should occasion arise.

17. **Vivà Voce Examination on Aural Tests.**—Specimens of the questions which will be asked in this examination are given below. These tests will be given daily during the examination period from 11 to 1.30 and from 3 to 6. The maximum marks allotted for this subject are 100. Marks required to pass, 75.

In this subject, Teachers and Performers have separate lists of pieces and a distinct examination. Candidates may enter for either or both. In the latter case they will pay a double entry fee and have two examinations.

## TEACHERS' EXAMINATION.

Candidates will be required to satisfy the Examiners in the following tests:—

I. They must be prepared to play the whole or portions of a piece of their own selection from each of the three lists on pages 17 and 18 (three pieces in all).

II. To play at sight the whole or portions of a piece selected by the Examiners.

No particular method or school of performance is favoured, provided the results are satisfactory. Musical intelligence and initiative are the main essentials.

III. To play (from memory) all or any of the following scales and arpeggios:—

(a) Major and harmonic minor scales, the hands commencing a third, sixth, octave, or tenth apart; and chromatic scales, commencing a minor third, major or minor sixth, or minor tenth apart, all in similar and contrary motion. Minor scales in the melodic form will be required in similar motion only, an octave apart.

(b) Major, harmonic minor scales and chromatic scales (minor thirds only) in double thirds in similar motion only.

(c) Major, harmonic and melodic minor, and chromatic scales in double octaves in similar motion, the hands commencing an octave apart. Scales in double octaves in contrary motion in major keys only, both hands commencing on the key note.

## PIANOFORTE.—Continued.

(d) Arpeggios of major and minor common chords and their inversions, and dominant sevenths and their inversions, in similar and contrary motion, the two hands to play the same position of the chord.

All the scales and arpeggios, as above stated, to be played with *legato* and *staccato* touch; either finger or hand (wrist) *staccato* will be accepted:—four octaves in similar motion and two octaves in contrary motion, except scales in double octaves, which are to be played in three octaves in similar motion and two octaves in contrary motion. The scales and arpeggios in similar motion to begin on the lowest notes.

All scales and arpeggios in contrary motion to begin with the hands at their closest point.

All good methods of fingering will be accepted.

IV. Candidates will be questioned on the teaching of the laws and facts of Touch and Technique, including the physical condition and action of the arm, hand and fingers, and their control in playing; on the application of these laws in Interpretation generally, and particularly as to Tone, Time and Duration.

Also, they will be required to illustrate the various points raised, by playing excerpts from the tests given for fingering, and from the pieces brought for their examination. An elementary knowledge of the mechanism of the Pianoforte is also required.

V. Also to answer questions on the principles of fingering, exemplified in passages selected by the Examiners. Candidates are given an opportunity of studying a paper of Tests in Fingering at a Key-board for half-an-hour before their practical examination.

VI. To work a paper on the general principles of Form, as exemplified in pianoforte compositions; on the training of pupils, with special reference to the eradication or prevention of faults most frequently found in young pianists, and on the phrasing of given passages. Questions may be asked to elicit the Candidate's knowledge of pianoforte compositions suitable for young pupils (of a standard similar to the Associated Board's School Examinations of Music), particularly those of British Composers. Two and a half hours will be allowed for working this paper, and in order to pass, a Candidate must secure 75 per cent. of the total number of marks obtainable.

VII. To work the paper on Rudiments of Music and Harmony, &c., specified on page 4.

VIII. Aural Tests (see page 7).

Blind Candidates.—Those who are acquainted with Braille notation will be permitted to study the Sight-reading and Fingering tests at a sounding pianoforte for one hour before their practical examination, and to take these tests into the Examination rooms.

PIANOFORTE.—*Continued.**The Examination will last about half-an-hour.*

The Examiners are instructed to accept only the pieces mentioned in the current Syllabus.
